

Dear All,

October 24, 2009

36 new Polio Cases have been reported this week for the year 2009. **P1- 5 (1 in Punjab and 4 in U.P.) and P3- 31 (1 in Bihar, 1 in Punjab, 1 in Uttrakhand and 28 in U. P.)**. The total polio case count in 2009 is 498 (P1- 66, P3- 431 and P1+P3 - 1).

One P1 case in Sheikhpura, Bihar (BISKP09077) previously reported as WPV1 has been reported NPEV on retesting. Also 1 case of P3 in Bareilly (UPBRL09358) previously reported as WPV3 has been reported P3 vaccine on retesting. Therefore the two cases have been removed from the wild virus address list.

The status of Polio cases is as under:

Year 2004 = 134 wild Polio cases
Year 2005 = 66 wild Polio cases
Year 2006 = 676 wild Polio cases
Year 2007 = 874 wild Polio cases
Year 2008 = 559 wild Polio cases for the year 2008 (as on February 06, 2009 from 90 Revenue Districts)

Year 2009 = 498 wild Polio cases for the year 2009 (as on October 23, 2009 from 47 Revenue Districts)

The RI District wise and the state wise break-ups are attached.

Yours sincerely,
