### REPLY FROM RI PRES. NOMINEE TO DGN ANGSUMAN

Dear DGN Angsuman,

Many thanks for your message. We have received your good wishes and are very grateful.

Rotary protocol required that I replied only after October 1. So, please forgive this delay in my response. It is a great honor to have been nominated to serve our organization as perhaps the first among equals. And, when we look back at the past and see the kind of outstanding leadership the organization has always had; and again, when we look at the future and visualize the goals that lie ahead, Binota and I realize well that along with the honor, comes great responsibility.

Rotary and we shall need the support and good wishes of friends and well-wishers like you. We pray that we shall measure up to your expectations and to the tasks ahead. Till Rotary bring us together again, please accept our sincere thanks and all good wishes.

Kind regards,

Yours sincerely,

**Kalyan Banerjee**

**Ten ways to celebrate Vocational Service Month**

Rotarians are busy all year round looking for ways to volunteer their skills and expertise to improve the quality of life in their communities. Here are 10 ways that your Rotary club can celebrate Vocational Service Month in October :

1. Devote one meeting to a discussion of The Four-Way Test and the Declaration of Rotarians in Business and Professions.
2. Honour a community member who has shown outstanding professional achievement while maintaining high ethical standards.
3. Discuss how club members can use their vocational skills to benefit the community.
4. Invite experts to give a presentation about the vocational needs of your community and develop a service project that responds to those needs.
5. Hold a career counselling fair for youth.
6. Organise a Four-Way Test essay contest for students in your community.
7. Plan a vocational exchange with a club in another country through Rotary Friendship Exchange.
8. Organise a "Bring a Rotaractor/Interactor to Work Day" where Rotaractors or Interactors shadow Rotarians at work to learn about career possibilities.
9. Invite a speaker from a local Goodwill to discuss ways your club can help eliminate barriers to employment for disadvantaged community members.
10. Encourage club members to put their vocational skills to work as Rotary Volunteers.
